OPEN SESSION

PHYSICIAN ASSISTANTS

1. Proposed Changes to Physician Assistant Rules. Marcus Jimison to discuss updates.

Issue: Proposed changes to physician assistant rules to clarify that Board rules are not intended to be used as a basis for vicarious liability in medical malpractice actions. This is a follow-up from the May, 2014 AHC Meeting.

Staff Recommendation: Adopt proposed changes to Physician Assistant Rules.

2. Tab 71 PA Licenses Approved. Lori King to discuss changes to Board Book procedures.

Issue: Administration is proposing that we discontinue adding Tab 71 PA Licenses Approved to the Board Book. They are proposing that we continue to add it to the Worknotes and the Minutes but not to the Board Book as the Board no longer votes on this report, it is just presented as an FYI.

Staff Recommendation: Discontinue adding Tab 71 PA Licenses Approved to the NCMB Board Book but continue to add it to the Worknotes and Minutes.
