## **EXECUTIVE COMMITTEE REPORT**

Stephen Herring, MD; Charles Garrett, MD; Robert Moffatt, MD; Arthur McCulloch, MD; Aloysius Walsh

The Executive Committee of the North Carolina Medical Board was called to order at 10:40 am, Wednesday July 19, 2004 at the offices of the Board. Members present were: Stephen M. Herring, MD, Chair; Charles L. Garrett, MD; Harlan A. McCulloch, MD; Robert C. Moffatt, MD; and Aloysius P. Walsh. Also present were R. David Henderson (Executive Director), Hari Gupta (Director of Operations), and Peter T. Celentano, CPA (Comptroller).

### ***Financials***

Mr. Celentano, CPA, presented to the committee the May 2004 compiled financial statements. May is the seventh month of fiscal year 2004.

The Board's deficit continues to decrease for fiscal year 2004 and should approach breakeven by the end of this fiscal year. The Board had small surpluses for the months of April

and May of 2004. Mr. Celentano explained to the Committee about several income items that are seasonal and which historically peak in the spring and early summer months, including Temporary License, License by Endorsement, Resident Training Licenses and Datalink Income.

Mr. Walsh inquired about the current level of cash that we are holding and whether it would be sufficient to meet our requirements for the remainder of the fiscal year and on into fiscal year 2005. Mr. Celentano explained to the Committee that he does not foresee a problem in this area as our cash receipts just about match our cash disbursements month after month.

Mr. Celentano reminded the Committee that the Boards' Certificate of Deposit matures in February of 2005. Current interest rates were discussed as well as the rate of return on our current certificate.

Dr. Garrett made a motion to accept the financial statements as reported. Dr. Moffatt seconded the motion and the motion was approved unanimously.

The May 2004 Investment Summary was reviewed and accepted as presented.

### **Old Business**

There was no old business to discuss.

### **New Business**

Board Meeting Dates - 2006: The schedule for Board Meeting Dates for 2006 were presented and discussed. Dr. Moffatt raised a question about the December Board Meeting and its close proximity to the holidays. Dr. Garrett suggested the Board could make a motion in the future to reschedule or cancel the December Board Meeting. Dr. Garrett made a motion to accept the 2006 Board Meeting Dates as outlined. Dr. Moffatt seconded the motion and the motion was approved unanimously.

Personnel: Dr. Garrett presented to the Committee a proposal to hire an Attorney and a Paralegal in the Legal Department to help address the large backlog of disciplinary cases. Dr. Garrett presented to the Committee a graph that illustrates the financial impact of these additions. Dr. Moffatt raised a question about possibly being over-staffed once the backlog of cases has been eliminated. Dr. Garrett felt that the Board would continue to have an increase in disciplinary cases. Also, the hiring of an Attorney and a Paralegal would allow the Director of the Legal Department time to better manage and supervise the department. Mr. Gupta inquired about the necessity for renovating office space and the purchase of equipment and furniture. Dr. Garrett made a motion to add a new Attorney position and Paralegal position and to permit the expenditure of funds reasonably necessary to renovate the office and purchase equipment and furniture. The motion was seconded and approved unanimously.

CME Status Report: Mr. Gupta updated the Committee on the status of the work involved in communicating with physicians who are currently deficient in reporting CME hours for the three-year period from 2001 thru 2003. Dr. Garrett wished to commend the staff for the work done in this area. Dr. Garrett and Dr. Moffatt also expressed concern about physicians who have administrative assistants register their licenses for them on-line. Dr. Garrett suggested the possibility of a Forum article reminding physicians of their responsibility for the answers contained on their registration.

Security – Bill Smith: Mr. Henderson informed the Committee that the July Board Meeting would be the last meeting for Mr. Bill Smith, our Security Officer. Mr. Henderson requested time on Friday afternoon to recognize Mr. Smith for his years of service with the Board.

Rule Changes: Mr. Henderson informed the Committee of his desire to move forward with plans to have various Rules amended to increase some of the fees charged by the Board. Dr. Garrett expressed his approval and asked that the proposed rule changes be submitted at the August Board Meeting. Mr. Henderson stated he would proceed with working up proposed changes for the next Board Meeting.

Nominations of New Officers: A motion was made to nominate Dr. Robert Moffatt as President-Elect, Dr. H. Arthur McCulloch as Secretary, Dr. Janelle Rhyne as Treasurer and Mr. Aloysius Walsh as a member at-large of the Executive Committee.

The meeting was adjourned at 12:00pm.

## **POLICY COMMITTEE REPORT**

Robert Moffatt, MD, Chair; Aloysius Walsh; Arthur McCulloch, MD; George Saunders, MD; Janelle Rhyne; MD

The Policy Committee of the North Carolina Medical Board was called to order at 3:14 p.m., Wednesday, July 21, 2004, at the office of the Board. Present were: Robert Moffatt, MD, Chair; Aloysius P. Walsh; Arthur McCulloch, MD; George L. Saunders, MD; and Janelle A. Rhyne, MD. Also attending were: Thomas Mansfield, JD, Director, Legal Department, NCMB (PC Staff); Amy Bason, JD (PC Staff); Melanie Phelps, JD, North Carolina Medical Society; Dale G. Breaden, Public Affairs Director, NCMB; and Mr. Jeffery T. Denton, Board Recorder (PC Staff).

Notes:

- (1) **Recommendation to Board** is the Committee's request for Board consideration of an item.
- (2) **Action** items are related to the Committee's own work or deliberations.
- (3) **[ ]** Information within these brackets denotes *background information*

### **Review of Position Statements**

**[** Dr. Moffatt stated that the Board position statements should be formally reviewed periodically by the Board, and that the review date should be included with the position statement, much like the revision dates.

Dr. Saunders agreed that the 3-year review cycle made more sense to him. He then proceeded to discuss his memo to the committee members regarding his review of the current position statements.

Dr. Rhyne disseminated and discussed her proposal for the reordering of the position statements and a possible numbering system. Mr. Breaden explained that the current order is based on like topics being put together.

The action was for the July Committee Meeting: (1) Dr. Moffatt, Dr. Rhyne and Dr. McCulloch will review '*Management of Chronic Non-Malignant Pain*'; (2) Dr. Saunders and Mr. Walsh will review '*The Use of Anorectics in Treatment of Obesity*'; and (3) Dr. Saunders and Dr. Rhyne will work together to formulate a numbering system and a rotation/review schedule for the position statements. **]**

**The Use of Anorectics in Treatment of Obesity** (Saunders, Walsh)

Dr. Saunders presented a proposed rough draft of a revised position statement. He stated that the current statement was good but may be too specific with regard to medications. He indicated that this was appropriate at the time this position statement was last updated but it has changed over time. There was a general consensus supporting approval of Dr. Saunders' draft.

**Action:** Dr. Saunders will further his draft by consulting with Dr. Walter Pories as an expert and possibly another medical expert and email other committee members as necessary with the goal of bringing a final copy back to the next meeting.

**Management of Chronic Non-Malignant Pain** (Moffatt, Rhyne, McCulloch)

Dr. Moffatt stated that this is still a good pain statement but certain aspects may need reworking and it may be helpful to get comments from certain individuals and/or groups around the State. Dr. Rhyne stated that our statement was good but the Federation of State Medical Boards' (FSMB) guidelines were very thorough, and should be consulted

Mr. Breden provided some background on this position statement. The Board's statement was developed before the FSMB took any type of position. North Carolina was trail blazing at the time and certain definitions were necessary then that might not be necessary now. To pattern ours after the FSMB's would be a logical progression.

Dr. Moffatt introduced Matt Gainey, PhD, and Pharmacologist who is associated with a pain management task force. Dr. Gainey stated the group was not active at the present time but could be revived. He initially put the group together to address pain management and is sure the group would be happy to be a resource for the Board

Dr. McCulloch stated that he had asked some of his partners who are specialists in this area for their opinions. He offered several comments for revising the current position statement and would like to bring a draft to the next meeting after reviewing the FSMB guidelines.

**Action:** Dr. McCulloch will bring a draft revision back to the next committee meeting.

**Position Statement Numbering System** (Saunders, Rhyne)

Dr. Rhyne suggested either numbering the Board's Position Statements as listed in the *Forum* or categorizing them much like the Texas Board does. Dr. Saunders thinks it would be useful to categorize and number as well. Ms. Phelps suggested that the Board look at the way the American Medical Association's Council on Ethical and Judicial Affairs (CEJA) handles their positions as a possible alternative.

**Action:** Dr. Saunders stated that he could have a proposal ready during this Board meeting with collaboration via email. Dr. Moffatt encouraged all committee members to look at a numbering system and collaborate with each other.

**Statement For The Record**

Dr. Saunders stated for the record that during his recent research on position statements he went through quite a few web pages of other states. He stated that we should be proud that the Texas site is the only one that came close to ours. He reiterated that North Carolina's web site is well above most other states.

There being no further business, the meeting adjourned at 4:02 p.m. The next meeting of the Policy Committee is tentatively set for 3:00 p.m. Wednesday, September 22, 2004.

**Motion:** A motion passed to accept the Policy Committee report as presented.

Also in attendance were: E.K. Fretwell, PhD, Robin Hunter-Buskey, PA, Jennifer Hedgepeth, Melanie Phelps, Marcus Jimison, and Alexa Mallard.

**PA Rules Review Task Force** – A task force is to be created to discuss potential PA rule changes. The task force members would include the members of the Allied Health committee, one PA in education, one PA from the NCAPA, one PA from the Medical Society and one PA at large. This task force is expected to conduct its first meeting at the September 2004 Board meeting.

**Nurse Practitioner Protocols for Alternative and Discipline Programs** – The Allied Health Committee discussed the NP Alternative Program. Mr. Jimison gave a detailed the creation of the protocols. The differences and similarities between the terms “surrendered” and “held in abeyance” were discussed. **RE-ENTRY SUBCOMMITTEE REPORT**

EK Fretwell, PhD, Chair; Robert Moffatt, MD; Michael Norins, MD

The first meeting of the Reentry SubCommittee of the North Carolina Medical Board was called to order at 11:30 a.m., Wednesday, May 19, 2004, at the office of the Board. Members present were: EK Fretwell, PhD, Chair; Robert Moffatt, MD; and Michael Norins, MD. Also attending were: David Henderson, Executive Director; Dale Breaden, Public Affairs Director; Jesse Roberts, MD, Medical Director (Staff); Joy Cooke, Licensing Director (Staff); Thomas Mansfield, JD, Director, Legal Department (Staff); and Mr. Jeffery T. Denton, Board Recorder (Staff).

Dr. Norins had previously submitted an outline for licensure reactivation, which will be studied more closely. He stated we need a two-track system – cognitive and manual (surgeon and internist). He would like to see a program set up using existing resources and looking at a possible statute that would require some type of reentry process. He has discussed this with Dr. Pories (a past Board president) who has volunteered to act as a consultant and suggests getting the chiefs of surgical training programs involved specifically.

Dr. Moffatt stated he had discussed this subject with internist and surgeon friends. He asked them how long it took to forget. Most said, "It depends." For example, most said they would never forget how to do a physical exam. However, the majority said medications would be a real problem. Another major concern is retraining in the use of diagnostic tools. Dr. Moffatt is not sure you can "nail down everyone with one statement." Some may need refresher training after being out of active practice two years and some may need it after being out six months. One possible solution is to let them pay for their own malpractice insurance; give them some type of license limited to the hospital they have privileges and let them assist on surgeries for 3-6 months. At the end of this period review evaluations from his supervisors.

Dr. Fretwell passed out an outline suggesting procedures and issues. It included attention to (a) purpose of the reentry study, (b) a process for information gathering, (c) identification of most likely approaches, (d) & (e) drafting of a plan to be tried out on the Board, (f) practical questions we need to consider, and (g) a plan of work.

There was agreement on several points:

- Keep the committee small. Solicit input from many sources (other boards, organizations, associations, etc.) by such means as email.
- Cover all licensees except NP's at this time. (The Nursing Board is currently looking at ongoing competency.)
- Basic work will be done by staff members between regular meetings.

- Early-on reactivations in discipline cases will not be included in the current study.
- Mini-residencies, where they exist, are one example but we should look for a range of other workable examples.

The next steps will be to prepare two separate “messages” to be sent out over the President’s signature.

(1) Mr. Mansfield is to draft a message to be sent to a list prepared with Mr. Henderson of other boards, associations, organizations and the Federation of State Medical Boards.

(2) Dr. Norins is to draft a message to a select list of foundations (such as Duke, Reynolds, Robert Wood Johnson, etc.) informing them of what we are doing but not seeking funds at this time.

## **RE-ENTRY SUBCOMMITTEE REPORT**

EK Fretwell, PhD, Chair; Robert Moffatt, MD; Michael Norins, MD

The Re-entry SubCommittee of the North Carolina Medical Board was called to order at 7:36 a.m., Thursday, July 22, 2004, at the office of the Board. Members present were: EK Fretwell, PhD, Chair; Robert Moffatt, MD; and Michael Norins, MD. Also attending were: Stephen Herring, MD, Board President; Jesse Roberts, MD, Medical Director (Staff); Joy Cooke, Licensing Director (Staff); Thomas Mansfield, JD, Director, Legal Department (Staff); and Mr. Jeffery T. Denton, Board Recorder (Staff).

Dr. Fretwell kicked off this meeting by reviewing this subcommittee’s purpose. He then went directly into the work at hand.

At the July 2004 meeting it was decided that the next steps would be to prepare two separate “messages” to be sent out over the President’s signature. One would be to other boards, associations, organizations and the Federation of State Medical Boards, and the other would be to a select list of foundations (such as Duke, Reynolds, Robert Wood Johnson, etc.) informing them of what we are doing but not seeking funds at this time.

Dr. Fretwell asked if the above could be accomplished with one letter vs. two separate letters. Thus, the committee proceeded to review the informational letter draft to the Foundation(s) provided by Dr. Norins and the request for information letter draft to the other state regulatory entities provided by Mr. Mansfield.

It was ultimately decided that two different letters were appropriate. Both letters were adopted with only minor changes.

Dr. Moffatt noted that he recently interviewed an applicant that had set up re-entry and re-training programs for physicians in Russia. He believes this physician will be a good resource for the subcommittee and there was agreement that he may be invited as a guest of the subcommittee in the near future.

**Action:**

(1) Dr. Norins will work with Ms. Marshall, Public Affairs Assistant, to develop further the list of foundations to receive that letter and to work with Mr. Mansfield to get the letter out ASAP.

(2) A condensed version of the information-gathering letter will be sent by email to other state regulatory boards via the AIM Exec Net (an email forum request that has seen good and rapid response in the past). Mr. Mansfield will facilitate. Replies will be sought, which will be directed to Mr. Mansfield for compilation and sharing with the subcommittee at the next meeting in September.

(3) Mr. Mansfield and Dr. Roberts will collaborate to develop further the list of other related organizations to receive the information-gathering letter.

(4) Dr. Pories will be provided copies of committee materials and be invited to all future committee meetings.

(5) Staff will look at scheduling more meeting time when guests are invited.

(6) Staff are authorized to add additional recipients to the mailing lists for the two letters as appropriate.

(7) All communications are to go out under Dr. Herring's signature.

There being no further business, the meeting adjourned at 8:25 a.m. The next meeting of the Re-Entry SubCommittee is tentatively set for 7:30 a.m., Thursday, September 23, 2004.
