The Malpractice Committee chaired by Dr. Spangler, and including Mrs. Willis and Dr. Barrett reported on 49 malpractice reports. A written report was presented for the Board's review. After discussion the Board adopted the Committee's motion to approve the written report.

Complaint Committee

The Complaint Committee chaired by Mrs. Willis and including Dr. Barrett and Dr. Johnson reported on 41 complaint cases. A written report was presented for the Board's review. After discussion the Board adopted the Committee's motion to approve the report.

Phep Committee

Dr. Vanderberry and Dr. Fleury met with the Board to discuss PHEP issues including Participant funding.

Kathy Willis, Dr. Godwin and Dr. Stratas will call Mac Mauney to remind him to supply a status report about the new governance of PHEP - Dr. Fleury will do the same from PHEP Board of Directors standpoint.

Dr. Vanderberry will notify the Board when he is ready to do the following:

1. Go to Medical Mutual for more money to support PHEP. Dr. Spangler will assist him.
2. Go to St. Pauls for funding for PHEP. Dr. Barrett will assist him.
3. Go to Medical Protective in Cary for funding for PHEP. Dr. Stratas and Dr. Johnson will assist him.
4. Address NC Hospital Association, Medical Mutual, Hospital Insurance Carriers to try and create a United Way.

Mr. Paris is to find out about the possibility of obtaining revenues from beer/wine industries to help in the funding of PHEP.

Dr. Stratas recommended creating a Bursary. This is an amount of money received before entering a program and an agreement is signed to repay this. Canada has a high rate of payback.

It was also recommended that Dr. Vanderberry could send information to each person released from the program as to the value of the services received.

Phep Committee Report

The Phep Committee chaired by Mrs. Willis, and including Dr. Godwin met and reviewed cases with Dr. Vanderberry. A written report of 10 cases was presented to the Board for its review. The Board adopted the Committee's motion to approve the written report.

Observations of Mary Williams

Mrs. Mary Williams was present throughout the meeting to observe the meeting process and make recommendations for a more efficient meeting. Recommendations from Mrs. Williams and staff were noted at the meeting.

The meeting was adjourned by Dr. Stratas on March 27, 1993 at 5:30 p.m.
