

MINUTES

The North Carolina

Medical Board

November 15-18, 1995

**1203 Front St.
Raleigh, NC**

Minutes of the Open Sessions of the North Carolina Medical Board Meeting November 15-18, 1995

The November 1995 meeting of the North Carolina Medical Board was held at the Board's office, 1203 Front Street, Raleigh, NC 27609. The meeting was called to order at 6:35 pm, November 15, 1995, by Ernest B. Spangler, MD, President. Board members in attendance were: George C. Barrett, MD, Vice President; Mr. Paul Saperstein, Secretary/Treasurer; F. Danford Burroughs, MD; Harold L. Godwin, MD; Hector H. Henry, II, MD; Mr. David L. Howe; George Johnson, Jr., MD, Walter M. Roufail, MD; Charles E. Trado, Jr., MD; Wayne W. VonSeggen, PA-C; and Mrs. Martha K. Walston.

Staff members present were: Mr. Bryant D. Paris, Jr., Executive Director; Ms. Helen Diane Meelheim, Assistant Executive Director; Mr. James A. Wilson, Board Attorney; Mr. William H. Breeze, Jr., Staff Counsel; Mr. Don R. Pittman, Investigative Director; Mr. Edmond Kirby-Smith, Investigator; Mr. Dale E. Lear, Investigator; Mr. Alan M. Evans, Investigator; Mrs. Therese Dembroski, Investigator; Ms. Barbara Brame, Investigator; Mrs. Jenny Olmstead, Senior Investigative Secretary; Ms. Anne Goding, Investigative Secretary; Ms. Pearlina Dowling, Complaint Coordinator; Mr. Dale Breaden, Director of Communications and Public Affairs; Mrs. Wanda A. Long, Legal Assistant; Mrs. Teresa Wrenn, PA/NP Coordinator; Ms. Tiajuana Jackson, Administrative Assistant; Mr. Jeff Denton, Operations Assistant; Mrs. Sharon Squibb-Denslow, Receptionist; Mrs. Joy D. Cooke, Licensing Director; Ms. Michelle Lee, Asst. Director of Licensing; Mr. Jeff A. Peake, Licensing Assistant I; Mrs. Ann Z. Norris, Verification Secretary; and Mr. Peter Celentano, Controller.

AGENDA - Public

Education Evaluators

Summary: Donna Harwood, Educational Consultant, UNC-Office of Educational Development and Emil Petrusa, Associate Dean of Medical Education, Duke University presented a video on their organizations program for clinical evaluations and examinations, and answered questions from Board members.

BOARD ACTION: Accept as information.

Nomination for Federation Board of Directors

The Board adopted a motion by George Johnson, MD, seconded by Paul Saperstein, that George Barrett, MD be submitted as a candidate for nomination to the Federation

Board of Directors.

Datalink Update

Summary: Diane Meelheim presented a update on the Datalink program. The report included information regarding hardware recently installed in the Board office, the number of subscribers, and the cost of the program to the Board and to subscribers.

BOARD ACTION: A motion was passed to send a letter re: Datalink to the organizations that were sent the original Datalink notification.

Board Publication Report

Summary: Dale Breaden presented an update on public affairs activities.

BOARD ACTION: (1) A motion was passed to allow Dale Breaden to research and subscribe to a clipping service.

(2) A motion was passed to change the name of the Board publication "the Bulletin" to "Forum."

Board Retreat

Ernest Spangler, MD announced there would be no Board Retreat as previously planned for February 1996.

EXECUTIVE DIRECTOR'S REPORT

Bryant D. Paris, Jr., Executive Director, presented the following information as his November Executive Director's Report:

License by Endorsement (flexibility)

As a follow-up to the Board's request for amending its rules to provide greater flexibility to the Board in licensing physicians on the basis of endorsement of credentials, various necessary staff persons have assisted in the development of a proposed regulation that could satisfy the Board's wishes yet maintain the integrity of patient safety in this state.

License by Endorsement (credentialing)

On September 20, 1995, a day long work session was held with directors to analyze

the process of credentialing physicians applying for a license by endorsement. As a result, a reasoned recommendation for re-engineering the credentialing process was developed. It is the group's belief that the proposed credentialing process can facilitate the ease of application, the timeliness of licensure, and a reduction of unnecessary paper handling by the licensing staff.

A meeting was held Monday, October 30, 1995, to present the director's recommendations to the Board's Licensing Committee.

Management Evaluation

As the Board staff continues its management evaluation, the next work session is scheduled for November 29, 1995, at which time the area of Public Affairs will be evaluated. From the current retreat and our two earlier retreats, the staff has come away with a sense of accomplishment and a spirit of teamwork while arriving at ways and means of improving staff functions.

Telemedicine

Considerable time and energy has been devoted to assist the Telemedicine Ad Hoc Committee in developing some system to allow the appropriate expansion of the concept of telemedicine, yet maintain the integrity of patient safety in the state. The issue of telemedicine was discussed with physicians in and out of the state, some who are currently involved in telemedicine.

Mr. Paris has not pursued the issue of confidentiality because, it is his understanding that the transmission of telecommunications can be sufficiently scrambled.

Memorandum of Agreement - Medical Review of North Carolina, Inc. and the NCMB

On Thursday October 12, 1995, Mr. Charles Riddick the Executive Director of Medical Review of North Carolina Inc., and Mr. Paris executed the Memorandum of Agreement between Medical Review of North Carolina Inc. and the North Carolina Medical Board.

Activities of the Board staff since the September Board meeting

Mr. Paris reported on the activities of the Board staff since the September meeting. Some of the activities included the number of licensing, PA, and NP applications received, complaints received, corporations approved.

Highlights of Accomplishments Over the Past Year

- 1) Re-engineered the filing system - expanded capacity by 60%
- 2) Developed a legal library including automated legal research using CD-Rom (used daily).
- 3) Finalizing activity regarding Datalink (at which time Diane Meelheim gave a current status report on Datalink).

- 4) Scheduled retreats for directors to analyze core processes
- 5) Two *Bulletins* published, the latest number with a new standard of content
- 6) Installation of new server for computer network providing four gigabytes
- 7) Developed a public and professional affairs program for a consistent voice for the Board (at which time Dale Breaden gave an update on this public affairs activity)
- 8) Total investigator utilization of modem for interface with office computer
- 9) Continued fine tuning of the Residency Training application process
- 10) Step III of the USMLE administered by the Federation (previously, Board staff was responsible for test facility, employment of proctor, and staff time away from office)
- 11) Reorganized and consolidated the licensing department (incorporating PA/NP application matters in this department)
- 12) Significant change in Board rules to equalize application requirements for DO's.
- 13) Board Licensure Committee became formalized.
- 14) Developed regularly scheduled meetings for investigative staff
- 15) Western part of state (Asheville), now covered by a resident investigator
- 16) Significant legislative effort resulted in various changes in the Medical Practice Act (including Board name change)
- 17) Volunteer license rules adopted (at which time Bill Breeze gave an update on legislative activities)
- 18) Automated the preparation of consent orders
- 19) Prepared and adopted Board by-laws
- 20) Consolidated the legal department (physically and organizationally)
- 21) Implemented departmental legal file
- 22) Implemented departmental word processing
- 23) Ongoing representation on joint meetings of medication error reporting with the NC Board of Pharmacy and the NC Nursing Board
- 24) Implemented computer tracking system for formal actions

Mr. Paris also submitted his letter of intent to retire from the position of Executive Director. Mr. Paris has set the date for **January 3, 1999**.

LEGISLATIVE REPORT

Mr. Breeze reported on legislative interactions, rules arising out of legislation, and responded to questions regarding legislative issues.

Significant legislative interactions included requests from several legislators for suggestions to strengthen the Medical Practice Act and laws relating to public health. Mr. Breeze has dealt with two Senators regarding concerns brought by constituents. Mr. Breeze attends the monthly meetings of the Health Care Reform Commission.

Since the September 1995 meeting of the Board, Doctors Henry and Spangler and Mr. Breeze have invested much time and effort in a legislatively established committee made up of two members of the Medical Board and two members of the Podiatry Board. This committee succeeded in defining soft tissue procedures that can be performed by a qualified podiatrist in an outpatient setting.

In response to a proposal for the Board to endorse a proposed pharmacy rule to permit authorization of a pharmacist to administer drugs pursuant to G.S. 90-85.3(r), the Board asked Mr. Paris, and Dr. Burroughs to meet with members of the pharmacy and nursing boards to address board concerns.

ATTORNEY'S REPORT

ADOPTION OF BY-LAWS

Summary: Mr. Wilson recommended the Board adopt a "clean" set of bylaws, as it had adopted, at the September meeting, a set with changes to be made in a draft document.

BOARD ACTION: A motion was passed that the Bylaws (appendix 1) be adopted.

C-SPEX Contract

Summary: Mr. Wilson requested the Board authorize Mr. Paris to sign the C-SPEX Contract on behalf of the Board.

BOARD ACTION: A motion was passed authorizing Mr. Paris to sign the C-SPEX Contract on behalf of the Board

A motion was adopted to close the session to prevent disclosure of information made confidential by sections 90-8 and 90-16 of the General Statutes and not a public record within the meaning of Chapter 132 of the General Statutes.

A motion was passed to return to open session.

FORMAL ACTION - 11/95 - PUBLIC

CHARGES EXECUTED

MCELLIGOTT, James Brendan, MD - Grimesland, NC

- a. 8/21/95 - Charges executed
- b. 8/23/95 - Charges served on MD
- c. 11/95 - Should have proposed Consent Order to submit to Board

A motion was adopted to close the session to prevent disclosure of information made confidential by sections 90-8 and 90-16 of the General Statutes and not a public record within the meaning of Chapter 132 of the General Statutes.

A motion was passed to return to open session.

11/16/95 Request for previous action of the Board to suspend MD's license for failure to register be revisited.

BOARD ACTION: Reopen case and consider at the January 1996 meeting

POLICY COMMITTEE REPORT

Symposium re: Treatment of Obesity

Summary: Dr. Burroughs presented to the Board his report on the Symposium on the use of Anorectic Drugs in the treatment of obesity sponsored by the Florida Medical Board, October 28, 1995, in Orlando, Fl.

BOARD ACTION: A motion was passed changing the wording on the use of Anorectics to state (in the appropriate paragraph) "If used, anorectics should be used according to published prescribing guidelines." Motion carried, policy amended.

TELEMEDICINE AD HOC COMMITTEE REPORT

Summary: Dr. Barrett reported on the committee's progress. Members of the Committee and staff met to discuss the medical and legal implications attendant to the interstate practice of medicine, both in consultation with physicians licensed in North Carolina and otherwise. A consensus developed that the Committee should gather information on interstate practice currently conducted in North Carolina. In an effort to get a feel for the direction the Board wants to go in, a motion was made from the committee as follows: "Medicine practiced by electronic means by a physician residing, living, or sitting in another state, when practiced on a patient in North Carolina is 'the practice of medicine in North Carolina.'" After much discussion this motion was withdrawn. It was noted that the Federation has created a Telemedicine Task Force which will be meeting in January 1996. A motion was then made "to send a representative to

the Federation meeting on this subject."

BOARD ACTION: Dr. Spangler, President of the Board, approved sending representation to the Federation meeting on Telemedicine.

OPERATIONS COMMITTEE REPORT

Present: E.B. Spangler, President; George Barrett, Vice President; Paul Saperstein, Secretary Treasurer; Walter Roufail; Bryant D. Paris, Jr., Executive Director; and Diane Meelheim.

The meeting was called to order by Dr. Spangler at 2:10 PM on Thursday November 9, 1995 in Greensboro, NC at the home of Mr. Paul Saperstein. Minutes from the previous committee meeting were presented and formally approved by the committee.

The meeting was adjourned at 5:30 PM.

TOPIC	DISCUSSION	ACTION ITEMS
I. Financial a. Monthly Accounting	Financial Statements for June, July and August were reviewed by committee members before arriving. September financial statement was reviewed in detail. Depreciation theory was discussed	1. Staff to alter the assets report to include all cash accounts on one line. 2. Narrative summary should include a combined analysis of the two months between meetings rather than a one month summary. 3. Staff to budget for capital replacements.
b. Cashflow plan	The proposed cashflow plan was reviewed and the investments of November 9, 1995 of \$2,033,500 were discussed.	4. Staff is to insert actual numbers for the preceding month cash flow plan. 5. Staff is to show contingency fund returning to accessible cash when not used.
c. Yearly audit	Field work by Lynch and Howard commenced on November 3, 1995. Report to be available for January Board meeting.	
II. Facilities a. Lease	Proposal submitted by Landlord for increasing the leased space to include the front lobby and the front conference room. Negotiations are underway with the state property office. Option for renewal of lease for 9/96 was discussed.	6. Keep Board informed
b. Improvements	Soundproofing and proposals for increasing seating and waiting space will be requested from an architect.	7. Keep chairman of operations committee informed.

TOPIC	DISCUSSION	ACTION ITEMS
4 c. Security	<p>Discussion of the ProTek recommendations followed. Decision was made to not use metal detector or guards at this time. Concealed weapons will be prohibited.</p> <p>A card keyed entry for the employee entrance was discussed</p>	<p>8. Staff to post a notice regarding concealed weapons at the entrance of the Board office.</p> <p>9. Staff to obtain quotes for a card keyed entry system.</p>
d. Insurance	<p>All policies were reviewed and decisions were made to drop auto policy after all autos are sold, bond the Secretary, Executive director, Assistant Executive Director and Controller with \$250,000 bond.</p> <p>Accident income loss insurance was discussed for Board members.</p> <p>Staff dental insurance and life insurance was discussed and tabled until a salary consultant had been obtained for the Board staff.</p>	<p>10. Staff was asked to survey Board members for interest in making a policy available for their purchase.</p>
III. Equipment a. Telephone	<p>Telephone log summary was reviewed and more detail was requested.</p>	<p>11. More detail will be specified by the operations committee</p> <p>12. Staff was asked to make sure that all voicemail message paths are ended with "dial O to return to the operator."</p>
b. Mail	<p>Mail equipment has been installed</p>	
c. Computers	<p>Datalink update and detailed description were reviewed.</p>	<p>13. Staff was asked to provide a more comprehensible summary of the working of datalink.</p> <p>14. Staff instructed to mail materials regarding datalink to all hospital staff credentialing offices.</p>
d. FAX	<p>Fax for licensing department has been a time saver.</p> <p>A network fax is being installed in conjunction with datalink.</p>	

TOPIC	DISCUSSION	ACTION ITEMS
e. Copier	Copier requiring service on weekly basis, replacement is needed before February at an estimated cost of \$15,000.	15. Staff to bring proposals for replacement to committee.
f. Software	Upgrade of word processing package to occur as soon as work stations are upgraded to 486.	
g. Automobiles	Proposal submitted for investigators to be compensated by one time cash amount for discontinuing Board automobiles.	
IV. Budget	Budget has not been approved by full Board.	16. Staff to include budget in full board handout for approval by full Board.
V. Quality Assurance	Assistant Executive Director should have a formal quality assurance program in place.	17. Staff to present a QA report at each operations committee.
VI. Retreat	Discussion regarding the purpose, proposed facilitator and dates for the retreat were discussed. Facilitator once decided upon should interview each Board member before the retreat (January meeting). Staff should attend the retreat on Saturday morning. Proposed date is February 9,10,11 and a proposed site is the RTP.	18. Policy committee to propose agenda. 19. Facilitator to be chosen by the president and then should be scheduled to meet with each Board member at the January 1996 meeting. 20. Staff to make meeting arrangements including dinner for Friday evening, rooms for sleeping and meeting.

TOPIC	DISCUSSION	ACTION ITEMS
<p>VII. Old Business:</p> <p>a. Duke endowment</p> <p>b. Personnel with poor performance evaluations</p> <p>c. Educational booth</p>	<p>a. CME policy for Board members</p> <p>b. Mr. Paris Course in Chapel Hill</p> <p>c. Dr. Barrett reported on his meeting with Dr. Duckett in Greenville.</p> <p>Dr. Barrett brought committee up to date on the progress of the grant application. The Board has been asked to contribute money to the application as seed money.</p> <p>Management was asked to bring committee up to date on any remediation efforts.</p> <p>Discussion regarding the possibility of Mr. Breaden preparing an educational booth for professional medical meetings regarding the activities of the Medical Board</p>	<p>21. Policy committee to write CME guidelines for Board members.</p> <p>22. Mr. Paris should prepare a written report regarding his two week management course in Chapel Hill.</p> <p>23. Dr. Barrett asked for endorsement of his continuing involvement with the group and the committee gave its endorsement.</p> <p>24. Staff to research the methodology of funding a grant at a private institution.</p> <p>25. Staff to report on personnel progress at next meeting.</p> <p>26. Mr. Breaden to be asked to react to suggestion.</p>

A motion was passed to accept the Operations Committee Report as presented.

EMERGENCY MEDICAL SERVICE COMMITTEE REPORT

George Johnson, MD; Danford Burroughs, MD; Wayne VonSeggen, PAC

Medication List Update

Several requests have been received to update the current medication lists for advanced life EMS programs by July 1, 1996 (see item 1 materials). The Board adopted a motion presented by Dr. Burroughs, seconded by Mr. VonSeggen to approve the initiation of rulemaking procedures to modify 21 NCAC 32H to permit the use of additional intravenous fluids and medications to include the antidote for Versed and medications by advanced life support EMS professionals.

EMS Directors Handbook

The Office of Emergency Medical Services has developed a document entitled "North Carolina Advanced Life Support Medical Director's handbook" for EMS Medical Directors. The Board adopted a motion presented by Dr. Burroughs, seconded by Mr. VonSeggen to approve the *North Carolina Advanced Life Support Medical Director's Handbook*, for use by the EMS medical directors.

EMS in Knotts Island, NC

EMS in Knotts Island, NC have been provided by persons who are currently certified in Virginia since 1980. Request is made that the Board again approve the above referenced option. The Board adopted a motion presented by Dr. Burroughs, seconded by Mr. VonSeggen to approve the request of Dr. Craven and Mr. Edwards and the Knotts Island Fire Department and Rescue Squad to provide EMS to citizens of Knotts Island for the next four years.

PA's issue orders to EMS personnel

Request that EMS Advanced Life Support EMS rules be revised to allow physicians assistants to issue orders to EMS personnel following guidelines similar to those which govern the practice of Mobile Intensive Care Nurses. The Board adopted a motion presented by Dr. Burroughs, seconded by Mr. VonSeggen to approve the initiation of rulemaking procedures to modify 21 NCAC 32H to permit physician assistants and nurse practitioners to issue orders to advanced life support EMS professionals upon completion of an educational program similar to the program required of mobile intensive care nurses according to protocol set by the local EMS program.

Chains of Communication

Include an option to contact the physician or MICN in the emergency department after the implementation of standing orders based upon the protocols of the local EMS program which could address the patient's condition, estimated time of arrival to the emergency department, etc. The Board adopted a motion presented by Dr. Burroughs, seconded by Mr. VonSeggen to permit local programs to designate a chain of communication through which the EMS professional in the field notifies the appropriate personnel at the hospital that standing orders have been implemented.

EMS First Responder Study Project extension

Request was made to extend the project for a minimum of one year. The Board adopted a motion presented by Dr. Burroughs, seconded by Mr. VonSeggen to approve the first responder study project of Wake and Orange counties through March 1997.

Project participant addition - First Responder/Early Defibrillation

Request from the Alamance County EMS First Responder and Early Defibrillation Study Project to add Mr. Don Starling with Glen Raven Mills, Inc. as a study project participant. The Board adopted a motion presented by Dr. Burroughs, seconded by Mr. VonSeggen to approve the participation of Mr. Don Starling in the Alamance County EMS First Responder and Early Defibrillation Study Project.

EMS Certification Report

Date Range: 08/01/95 to 09/30/95

<u>Certification Level</u>	<u>Initial</u>	<u>Recert</u>	<u>Total</u>
EMT-D	66	0	66
EMT-I	28	1	29
EMT-AI	0	0	0
EMT-P	14	2	16
MICN	25	4	29
Total	133	7	140
Epinephrine Certificate Total		101	

Motion: A motion was passed to accept the EMS Certification report as presented.

Motion: A motion was passed to accept the EMS report as presented.

PHYSICIAN ASSISTANT COMMITTEE REPORT

Wayne VonSeggen, PAC; George Johnson, MD; Danford Burroughs, MD

A motion was passed to close the session to investigate, examine, or determine the character and other qualifications of applicants for professional licenses or certificates while meeting with respect to individual applicants of such licenses or certificates.

VIII. PA Locum Tenens applications Provisionally approved -

BOARD ACTION: Approve

1. **DAVIS**, Richard C., PA
9/05/95-3/05/96

BENNETT, John M., M.D.

A motion was passed to return to open session.

XI. Public Agenda Items For Committee Discussion -

1. Suggestions for reducing PA annual registration delinquencies. (currently 78 Pas with delinquent 95/96 registration)

Amended Motion: That each licensed PA whose 1995 registration is delinquent on 11/30/95 be sent a certified return receipt requested letter stating:

a. Your N.C. PA registration is delinquent five months past the due date of 6/30/95, so you are required to appear before the N.C. Medical Board's PA Committee for an Informal Interview on January 17, 1996 at 9:00am.

b. You are required to provide a copy of all documents to be kept on-site as required under 21 NCAC 320 to the N.C Medical Board by January 2, 1996 via mail to: N.C. Medical Board, P.O. Box 20007, Raleigh, NC 27619 for examination by the Board under 21 NCAC 320 .0016(9)

c. You will provide a completed 1995 PA Annual Registration form (enclosed) and \$75.00 annual registration fee by 12/31/95, or give written explanation for reason you are not registering your PA license.

Further, you may elect to send payment of your 1995 PA annual registration fee of \$75.00 and a completed PA registration form before 12/31/95 to the Board's office to remove the need (a) for your appearance at an Informal Interview on 1/17/96.

Should you elect to pay the delinquent 1995 PA annual registration fee before 12/31/95 and register your license, you will still be required to provide (b) copies of your on-site PA documents as required by 21 NCAC 32O.

BOARD ACTION: A motion was passed that this be referred to the legal section for further consideration.

2. Volunteer PA License ongoing discussion.
Proposal to Amend 21 NCAC 32O:

VOLUNTEER LICENSE FOR PHYSICIAN ASSISTANTS

The Volunteer License limits its holder to the practice as a physician assistant as follows:

- 1) practice with no ~~expectation of~~ payment or compensation whatsoever for any medical services rendered, or any payment or compensation to the Volunteer Licensee, either direct or indirect, monetary, in-kind, or otherwise for the provision of volunteer medical services. The ~~individuals or organizations~~ entities which sponsors the provision of volunteer medical services shall be clearly described on application forms, and approved by the Board.
- 2) practice within confines of specific locations approved by the Board as specified on application forms.
- 3) shall meet all requirements for licensure as a physician assistant pursuant to 21 NCAC 21) .0001 through .0021 with the following exceptions:
 - a) Under .0002: (see section .0021 for new volunteer license fee and registration.)
 - b) Under .0004: (practicing in a volunteer setting as a physician assistant would be an exception to this section, provided all requirements of the Volunteer License are met.
 - c) Under .0009: (that physicians assistants practicing in volunteer setting may dispense medication at no cost to the patient (following the N.C. Board of Pharmacy rules regarding labeling and patient information) from a stock of medication approved by the supervising and provided by the individual or organization operating the volunteer setting.)
 - d.) Under .0016: (misused or misrepresented the services, financial interrelationships, or purpose of the volunteer medical situations as described to the Board in application for Volunteer License.)
 - e) Under .0021: (Add the following: (3) Volunteer Physician Assistant License Fee: twenty-five dollars (\$25.00), and (4) Annual Registration Fee for Volunteer Physician Assistant license: ten dollars (\$10.00).
- 4) The Volunteer Licensee may be a physician assistant who:
 - a) holds an active and unencumbered license, temporary license, or inactive license as a Physician Assistant approved by the North Carolina Medical Board.
 - b) holds an active and unencumbered license or approval to practice as a PA by any federal agency ~~or state agency, such as the U.S. Public Health Service, Veterans Administration, Bureau of Prisons,~~ for example: Bureau of Indian Affairs, N.C. Dept. of Corrections, N.C. Dept. of Public Health, or any branch of the U.S. military.
 - c) holds an active and unencumbered license as a PA approved by another state.

BOARD ACTION: The board adopted a motion by Wayne VonSeggen and seconded by Danford Burroughs, that this be referred to the legal section for further consideration.

3. Amending PA rules to allow prescription of medications for ~~ADD~~ ADHD (Attention Deficit Hyperactivity Disorder) and Narcolepsy up to 30 day supply to parallel recent NP rules.

BOARD ACTION: Approve with changes

4. Guidelines for the staff for issuing provisional approval for a PA license application or PA Intent to Practice/Locum Tenens application.

BOARD ACTION: Approve with changes

Issue provisional approval on applications revealing no grounds on which the Board might deny an application -

PA License application -

- do not issue provisional approval if there are any affirmative answers on the License application (with the exception of question #5 regarding the "lapse of a license" if this information is verified on the Licensure Biography Sheet)
- do not issue provisional approval if Licensure Biography Sheet has derogatory information listed.
- do not issue provisional approval if any recommendation letter has derogatory information.

PA Intent to Practice/Locum Tenens application -

- do not issue provisional approval if there is any new questionable information in the PAs file that has not been previously reviewed by the Board since the last approval and/or there is new questionable information in the Primary MDs file that has not been previously reviewed by the Board since the last approval as a supervisor
- do not issue provisional approval if the applying Primary Supervising Physician has been interviewed since 5/95 and the Board indicated on the Board Action sheet "MD should not be a supervising physician"
- do not issue provisional approval if the PAs annual registration is delinquent (after June 30)
- do not issue provisional approval if the applying Primary Supervising Physicians biannual registration is delinquent (after December 31)

NURSE PRACTITIONER COMMITTEE REPORT -

Harold Godwin, MD; Ernest Spangler, MD

A motion was passed to close the session to investigate, examine, or determine the character and other qualifications of applicants for professional licenses or certificates while meeting with respect to individual applicants of such licenses or certificates.

WRIGHT, Lydia, M.D.

LICENSURE INTERVIEWS

The Board conducted 23 licensure interviews. A written report was presented to the Board for review. The Board adopted the committee's recommendation to approve the written report.

LICENSE COMMITTEE - NOVEMBER 1995

The committee reviewed six cases. A written report was presented to the Board for review.

A motion was passed to return to open session.

RULES REVIEW

November 18, 1995 License Committee

- (a) Because the Board has set a precedent by issuing license to physicians who did not satisfy the 3 year postgraduate training requirement but were certified by an American Medical Specialty Board it is felt a Rule is needed stating Certification by an American Medical Specialty Board is equivalent to 3 years postgraduate training.

BOARD ACTION: Have staff prepare a rule stating the 3 year postgraduate training requirement may be satisfied by a combination of less than 3 years training in conjunction with certification by an ABMS or AOA specialty board.

- (b) Proposed Rule change .0305 Examination Basis For Endorsement (tabled from September meeting)

BOARD ACTION: Accept recommendation to alter rules as presented in "mark up" copy. Include a list of exams the Board considers "written exams" and keep the 10 year qualification as a "10 year rule" not the proposed "6 year rule".

LICENSE CERTIFICATES

November 18, 1995 License Committee

- (a) Full License - Proposal to have machine printed and on smaller scale, as opposed to the current large "hand drawn" document, in an effort to save money and time.

BOARD ACTION: A motion was passed to wait until a "sample" is ready to present to the Board. Intention is to keep the quality high & looking good. Board will have final review.

- (b) RTL - Recommend adding registration year (1997) and physician's ID#; change Board's name, Mr. Paris' title, and change the State Seal to the Board's Seal

BOARD ACTION: Add physician's ID#, change Board's name, Mr. Paris' title and change the State Seal to the Board's Seal. Do not have the registration date pre-printed on the license.

CSPEX UPDATE

November 18, 1995

License Committee

Attempts to contact Dave Hill at the Federation of State Medical Boards - No information available as of 11/3/95. He suggested the possibility of the Board Members visiting a test center to observe how the exam is administered.

BOARD ACTION: Accept as information.

LICENSE BY ENDORSEMENT STREAMLINING PROCESS

November 18, 1995

License Committee

- (a) Proposed application package

BOARD ACTION: Accept the proposal of restructuring the license by endorsement process by having the physician submit all application credentials in one package.

- (b) Use of "Forms" for letters of recommendation

BOARD ACTION: Abstract a "form" for letters of recommendation to include in the new application process and have the Committee revisit this topic. Dr. Burroughs suggested we look at the letter Kaiser uses.

ORAL QUESTIONS

November 18, 1995

License Committee

Change #5 from "Have you ever used any drugs or any controlled substances during the past year that were not prescribed for you by your physician or dentist?"
to "Have you used any drugs or any controlled substances during the past 3 years that were not prescribed for you by your physician or dentist?"

BOARD ACTION: Change the question to read "Have you used any drugs or any controlled substances during the past 5 years that were not prescribed for you by your physician or dentist?"

Abstract the oral questions and consider rewriting.

LEGAL OPINION

November 18, 1995 License Committee

Get a legal opinion on restricting physician's to geographic areas

BOARD ACTION: Accept Jim Wilson's explanation that G.S. 90-12 gives the Board authority to issue a license limited geographically when conditions make it advisable.

ASSIGNING LICENSE NUMBERS

November 18, 1995 License Committee

It has been requested by some members of the Board that a system be established to issue license numbers more expeditiously following a Board Meeting.

BOARD ACTION Accept as information - Instruct staff to develop a system to accomplish this task.

A motion was passed to close the session to investigate, examine, or determine the character and other qualifications of applicants for professional licenses or certificates while meeting with respect to individual applicants of such licenses or certificates.

A motion was passed to return to open session.

"Suspension for Failure to Register"

November 18, 1995 License Committee

Have staff develop different terminology for licensees who choose not to register their license. "Suspended for failure to register" seems too harsh.

BOARD ACTION: Have staff take this to the Legislature to have the wording changed in the law (G.S. 90-15.1).

A motion was passed to close the session to take disciplinary actions against persons holding licenses or certificates while meeting with respect to individual holders of such licenses or certificates and to

prevent disclosure of information that is confidential pursuant to sections 90-8 and 90-16 of the North Carolina General Statutes and not considered public record within the meaning of Chapter 132 of the General Statute.

INFORMAL INTERVIEWS

The Board conducted 40 Informal Interviews to discuss specific issues which concerned the Board. A written report was presented to the Board for review. The Board adopted the committee's recommendation to approve the written report. The specifics of this report are not included as these actions are not public information.

A motion was passed to return to open session.

MALPRACTICE REPORT

Walter Roufail, MD; David Howe; Hector Henry, MD

A motion was passed to close the session to preserve confidential information under the NC General Statute 90-8 and 90-16.

The committee reported on 38 cases. A written report was presented to the Board for review. The Board adopted the committee's recommendation to approve the written report. The specifics of this report are not included as these actions are not public information.

A motion was passed to return to open session.

Minutes of additional items:

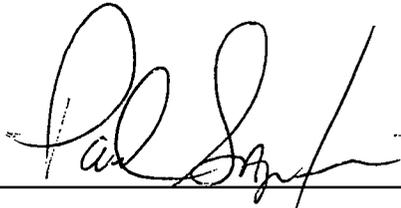

1. Staff to change CME form to reflect a column for Category 1 CME totals and Category 2 CME totals.
2. Issue of CME requirements to be brought up with the Policy Committee.
3. All forms and documents should have a date on the form or document indicating the date of preparation.
4. Copy the physical therapy practice act for review by the malpractice committee at the Board meeting.
5. Staff to ask medical malpractice carriers if they have statistics regarding the frequency of suits for those who have medicaid versus those who are not.
6. Ask the Division of Facilities Services (with a CC to the Hospital Association) what recommendations they give regarding individual medical staff rules on requiring specialists to respond to consults from the emergency room physician. Must the specialist respond and are there penalties if they do not?
7. Staff should inquire of the Board when the instruction is given to "monitor" the frequency and the level of scrutiny.
8. Issue was raised on how to get more reports from the insurance companies of cases settled.

A motion was passed to close the session to consider the qualification, competence, performance, character, fitness, conditions of appointment, or conditions of initial employment of individual public officers or employees.

A motion was passed to return to open session.

ADJOURNMENT

This meeting was adjourned on November 18, 1995.

A handwritten signature in black ink, appearing to read "Paul Saperstein", written over a horizontal line.

Paul Saperstein
Secretary/Treasurer
