

MEETING OF THE BOARD OF MEDICAL EXAMINERS
OF NORTH CAROLINA

Blockade Runner, Wrightsville Beach, North Carolina

October 8 - 11th, 1964

- - - - -

The Board of Medical Examiners of the State of North Carolina met at the Blockade Runner, Wrightsville Beach, North Carolina October 8-11th, 1964, for the purpose of interviewing applicants for license by endorsement of credentials, for special limited license and for other business.

October 8th
6 P. M.

The Board convened for dinner and Drs. Ralph G. Templeton, President, Joseph J. Combs, Secretary-Treasurer, James E. Davis, Frank Edmondson, H. Lee Large, Jr., W. Boyd Owen, Clark Rodman, Mrs. Louise J. McNeill, Assistant Secretary-Treasurer, and Mrs. Betty Joe Cooke of the secretary's office, were present.

Credentials for license by endorsement of credentials and special limited license were reviewed by the Board.

Drs. Frank Edmondson, Joseph J. Combs and James E. Davis were appointed at the July, 1964 meeting on a committee to formulate some recommendations looking toward plans to set up some method whereby resident physicians coming into the state would meet the requirements of the Board before beginning to practice. This was precipitated by the lack of co-operation in the past. Dr. Frank Edmondson, Chairman, reported on the meeting of this committee September 30th, 1964, and presented the following recommendations:

1. That each resident physician shall have his required credentials in the secretary's office of the North Carolina Board of Medical Examiners before he begins working in a hospital.

2. If said credentials are complete and in the office, permission will be granted by the secretary's office for the resident to begin work. If he has not appeared, the resident will be required to appear before the Board of Medical Examiners at its next meeting thereafter.

2. If said credentials are complete and in the office, permission will be granted by the secretary's office for the resident to begin work. If he has not appeared, the resident will be required to appear before the Board of Medical Examiners at its next meeting thereafter.

VERDICT: Dr. James E. Davis moved that the above committee's report be accepted and put into effect and become a part of the policies of the Board not later than July 1st, 1965. This motion was duly seconded by Dr. W. Boyd Owen and passed unanimously.

Dr. H. Lee Large, Jr. moved that the committee be instructed to put into effect the liason committee meeting in January, 1965. This motion was duly seconded by Dr. W. Boyd Owen and passed unanimously.

RE: Dr. Paul Dalton Rudd, Denton, North Carolina - (See previous Minutes) - Dr. Frank Edmondson reported that he had been contacted on two occasions by physicians in that area concerning Dr. Rudd's use of alcohol.

Dr. Rudd continued

Dr. Edmondson said that he made a trip to Denton to investigate and learned that he had probably been under the influence of alcohol since he moved and that in his opinion he was in no condition to practice medicine. He stated that he contacted Dr. Rudd's brother, who was eager for assistance, and that he, Dr. Edmondson, had him committed under court order to John Umstead Hospital on or about September 30th, 1964. Dr. Edmondson advised that it was the brother's desire for Dr. Rudd to be required to remain there for more than thirty days in order that he could obtain the necessary treatment.

VERDICT: Dr. H. Lee Large, Jr. moved that information be obtained prior to the next meeting of the Board of Medical Examiners with regard to Dr. Paul Dalton Rudd; that he be directed to appear before the Board at that time. This motion was duly seconded by Dr. W. Boyd Owen and passed unanimously.

RE: Dr. John G. Craddock - To summarize, Dr. Craddock appeared before the Board in January, 1964, with regard to his narcotic addiction, at which time he surrendered his order form, narcotic tax stamp and drugs alleged on hand. He was advised of the seriousness of his situation and the Board directed that he appear in one year.

The secretary reported at this time that the State Bureau of Investigation upon investigation ascertained that Dr. Craddock had written prescriptions for narcotic drugs since he had surrendered his narcotic tax stamp and that at the time of the investigation he was employed in medical research only at the University of North Carolina School of Medicine, and is under the care of Dr. Fred Hine of Duke University School of Medicine for his problem.

VERDICT: Dr. H. Lee Large, Jr. moved that this be received as information; that the directive of the Board be carried out and that he appear in January, 1965. This motion was duly seconded and passed unanimously.

RE: Dr. Bennie Brooks Ward, Shallotte, North Carolina - The secretary reported that he first received report of the State Bureau of Investigation as of August 31st, 1964, advising that Dr. Ward had surrendered his narcotic tax stamp; that he did not have a 1964-65 tax stamp, but advised that he had applied for same from the Internal Revenue Service; that when the Internal Revenue Service was contacted the information received was that Dr. Ward had not registered for narcotic tax stamp for 1964-65 as he had claimed.

Report of the State Bureau of Investigation of September 10th, 1964, revealed that Dr. Ward had been admitted to James Walker Memorial Hospital for treatment; that Dr. Ward's physician stated that Dr. Ward had admitted himself as a patient and said he was addicted to narcotics, which he had been taking in large quantities for approximately two years.

Report of the State Bureau of Investigation of September 18th, 1964, revealed that Dr. Ward had broken into Shallotte Rexall Drug Store on September 16th, 1964, and a quantity of narcotic drugs taken; that Dr. Ward had admitted breaking into the drug store and taking the narcotic drugs, but upon realizing what he had done he had disposed of the drugs. At the time this report was received by the secretary of the Board, Dr. Ward had been admitted to Pine Bluff Sanitarium for treatment.

VERDICT: Dr. H. Lee Large, Jr. moved that the secretary stay in contact with this problem and that he exercise his discretion, with that of the president, as to what should be presented to the Board. This motion was duly seconded by Dr. Frank Edmondson and passed unanimously.

RE: Dr. James P. Westmoreland - The secretary reported that he had received information from the Virginia Board of Medical Examiners with regard to narcotic irregularities on the part of Dr. Westmoreland; also the advice that Dr. Westmoreland had left Norfolk, Virginia, and it was understood that he had gone to South Carolina. The secretary reported that before having received this information his office endorsed Dr. Westmoreland to the South Carolina Board of Medical Examiners.

VERDICT: Dr. James E. Davis moved that this be received as information and if information is obtained that he is practicing in the State of North Carolina, that he be requested to appear before the Board of Medical Examiners. This motion was duly seconded by Dr. Frank Edmondson and passed unanimously.

RE: Biennial Registration - Reinstatement - The licenses of the following physicians were suspended for failure to register as required by General Statutes of North Carolina 90-15.11 and have now registered:

Dr. Robert Lee Davis
 Dr. John Dempsey Huitt
 Dr. John E. Zeliff
 Dr. Milton A. Honigman
 Dr. Clarence Ford Clark, Jr.

VERDICT: RESOLVED that the medical licenses of the above physicians be reinstated.

RE: The secretary presented proposal in the sum of \$364.00, plus tax, for a Remington electric typewriter for the registration office as the typewriter now in use is about beyond repair.

VERDICT: Dr. W. Boyd Owen moved that a new typewriter be purchased at the discretion of the secretary. This motion was duly seconded by Dr. James E. Davis and passed unanimously.

RE: Dr. Richard Dominick Knapp, who had accepted a staff position in the Department of Psychiatry at the University of North Carolina School of Medicine, failed to pass the written examination in June, 1964, for medical license. Prior to that time he had a special limited license to cover him as a resident at the University of North Carolina School of Medicine. He has now applied for renewal of his special limited license to cover him as a fellow in the Department of Psychiatry there until he can repeat the written examination for medical license.

VERDICT: Dr. James E. Davis moved that the special limited license of Dr. Richard Dominick Knapp be renewed to the University of North Carolina School of Medicine until he can take the 1965 written examination for medical license. This motion was duly seconded by Dr. Frank Edmondson and passed unanimously.

RE: Dr. Tong Su Kim held special limited license to the State Hospitals for residency training from 1957 to 1962, after which he left this country. He has returned to accept a staff position with Western Carolina Center, Morganton. Dr. Kim entered the country from Jamaica by authority of parole to the defense for the purpose of first preference alien awaiting a number. The authorities with the Department of Mental Health thought that everything had been cleared for Dr. Kim to enter as an immigrant and they did not learn otherwise until he had arrived here. Dr. Kim is now applying for renewal of his special limited license to be limited to the University of North Carolina School of Medicine in order that he may continue in a training status until August 1st, 1965, to be assigned to Western Carolina Center at Morganton.

VERDICT: Dr. James E. Davis moved that the special limited license of Dr. Tong Su Kim be renewed to the University of North Carolina School of Medicine until he can take the 1965 examination for medical license, provided he has received immigrant visa. This motion was duly seconded and passed unanimously.

RE: Dr. Ramon V. Canent, Jr., native of the Philippine Islands, held a special limited license to Duke University School of Medicine from 1961 to 1963 to cover him as a fellow in Pediatric Cardiology. He applied in May, 1964 to take our written examination for medical license, but had not at that time received his immigrant visa. Dr. Canent has now advised that he is a research trainee in Pediatric Cardiology at Duke University School of Medicine and has applied for special limited license.

VERDICT: Dr. Frank Edmondson moved that the special limited license of Dr. Ramon V. Canent, Jr. be renewed to Duke University School of Medicine until he can take the 1965 examination for medical license, provided he has received immigrant visa. This motion was duly seconded and passed unanimously.

RE: Dr. William David Clarkson was granted license limited to Duke University School of Medicine in October, 1961, to cover him as a resident. He has now accepted the position of director of Alamance County Mental Health Clinic and has applied for conversion from limited to full license. He has met the requirements of the Board.

VERDICT: Dr. James E. Davis moved that the limited license of Dr. William David Clarkson be converted to full license. This motion was duly seconded and passed unanimously.

VERDICT: Dr. James E. Davis moved that Dr. Marcelino Amaya's special limited license be renewed to Duke University School of Medicine until he can take the written examination in June, 1965. This motion was duly seconded by Dr. H. Lee Large, Jr. and passed unanimously.

RE: Dr. Angelina V. Edralin Knox, graduate of the University of Santo Tomas, Philippines, holds the permanent certificate of the ECFMG and is married to a native of New Hanover County, North Carolina. She was granted special limited license to Rex Hospital in 1961, where she was a resident in Pediatrics. She is in this country on a non-immigrant visa. She has been offered a staff position at Dorothea Dix Hospital.

Dr. Knox appeared at this time to petition for renewal of her special limited license to Dorothea Dix Hospital in order that she might accept a staff position there and to also petition for the privilege of taking the written examination for medical licensure in 1965. She said she had been approved for immigrant visa and is awaiting receipt of the card and immigration number. She said she and her husband desire to remain in North Carolina.

VERDICT: Dr. Joseph J. Combs moved that the special limited license of Dr. Angelina V. Edralin Knox be renewed to work at Dorothea Dix Hospital on the staff and that she be approved to take the written examination in June, 1965, contingent upon presentation of immigration visa. This motion was duly seconded and passed unanimously. (Immigration card presented to the secretary)

RE: Dr. Wiley Royster Young - (See previous Minutes) - Dr. Young's license to practice medicine in this state was reinstated January 11th, 1964. He appeared at this time to petition for the Board's recommendation of reinstatement of his narcotic tax stamp.

VERDICT: Dr. James E. Davis moved that Dr. Wiley Royster Young's request for recommendation of reinstatement of narcotic tax stamp be denied. This motion was duly seconded by Dr. Clark Rodman and passed unanimously.

RE: Dr. James Allen Greene on July 24th, 1964, was approved for license by endorsement of credentials, limited to Dorothea Dix Hospital, upon completion of credentials satisfactory to the secretary. Upon receipt of Dr. Greene's grades from the Mississippi Board of Medical Examiners it was found that his grades on the written examination did not meet the requirements of this Board. Thereupon, the secretary issued to Dr. Greene special limited license on an annual basis to cover him in his residency there. He was advised that upon completion of his training, if he desired to locate in this state for practice, it would either be necessary for him to repeat the examinations in which he was deficient by his original board or this Board.

VERDICT: The Board of Medical Examiners approved the action of the secretary in issuing Dr. James Allen Greene special limited license to Dorothea Dix Hospital to cover him in his residency training.

RE: Dr. Ernest Luther White on July 24th, 1964, was approved for license by endorsement of credentials, limited to Lincoln Hospital, upon completion of credentials, satisfactory to the secretary. Upon re-

ceipt of Dr. White's grades from the Mississippi Board of Medical Examiners it was found that his grades on the written examination did not meet the requirements of this Board. Thereupon, the secretary issued to Dr. White special limited license on an annual basis to cover him in his residency there. He was advised that upon completion of his training, if he desired to locate in the state for practice, it would either be necessary for him to repeat the examinations in which he was deficient by his original board or this Board.

VERDICT: The Board of Medical Examiners approved the action of the secretary in issuing Dr. Ernest Luther White special limited license to Lincoln Hospital to cover him in his residency training.

RE: Election of President - Dr. Clark Rodman nominated Dr. Hiram Lee Large, Jr. president of the Board of Medical Examiners for the coming year. Dr. Large was elected unanimously.

RE: Finance Committee - The incoming president appointed the Finance Committee as follows: Dr. Ralph G. Templeton, Chairman, and Drs. James E. Davis and Clark Rodman.

RE: Dr. Joe Robinson - To summarize Dr. Robinson was interviewed by the Board of Medical Examiners in May, 1961, with reference to an excessive amount of prescribing of narcotics following an investigation by the State Bureau of Investigation. At that time it was alleged that Dr. Robinson had taken narcotics and he was requested to surrender his narcotic tax stamp.

In 1962 Dr. Robinson went to South Carolina and took a position with the Veterans Administration Hospital.

In June, 1963 Dr. Robinson was indicted in the United States District Court for the Middle District of North Carolina for failure to file income tax returns. He plead guilty and was committed to custody of the Attorney General for imprisonment for a period of one year each on two counts and for study. He remained in custody for five months and was evaluated psychiatrically.

Dr. Robinson appeared at this time and stated that he planned to return to his home, Reidsville, North Carolina, and practice medicine. He said that he was under the care of a psychiatrist in Greensboro and that when he saw him in June, he advised that he should be back at work, as his situation had stabilized. Dr. Robinson discussed with the Board the difficulty he had had with regard to failure to file his income tax returns, which lead to his indictment and conviction.

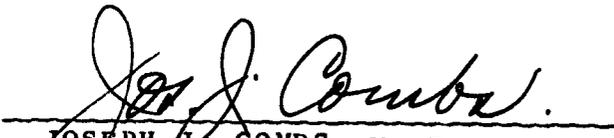

Dr. Robinson was advised that his license was in effect; that he would remain under surveillance; that the Board appreciated his frankness; that the Board would not recommend that he get his narcotic tax stamp. The secretary was instructed that he not be seen under one year.

RE: Salary of Assistant Secretary - Dr. H. Lee Large, Jr. moved that this salary be raised to \$5400.00 per year. This motion was duly seconded by Dr. Frank Edmondson and passed unanimously.

The Minutes for the July, 1964 meeting were approved as read.

Dr. Frank Edmondson and Dr. Ralph G. Templeton were elected to the Board of Medical Examiners for two years and took office November 1st, 1962. This was their last meeting under this tenure. These two physicians were re-elected to the Board of Medical Examiners by the State Medical Society in May, 1964, for a term of six years each.

The meeting was adjourned.
