Open Session Physician Assistants

1. NCCPA Physician Assistant National Certifying Examination – Number of Attempts. Ms. Robinson to discuss.

Issue: NCCPA does not list the number of attempts a PA takes the PANCE exam on their transcripts. What is the reason the number of attempts is not reported by NCCPA? The NCMB limits the number of attempts for physician exams. Should the Board entertain a Rule to require passage of the PANCE within a certain number of attempts?
