TEMPORARY RULE 21 NCAC 32B .2100

Deputy General Counsel Marcus Jimison presented this matter and asked the Board for consideration of final approval of proposed temporary rule 21 NCAC 32B .2100 Interstate Medical. Specifically, Mr. Jimison provided that the General Assembly enacted the Interstate Medical Licensure Compact earlier in 2025, which allowed the Board to enter into the compact and that those statutes were to be implemented by rule. Further, he explained that the rule was already reviewed and approved by the Licensing Committee, and subsequently the full Board voted to approve it. Staff then started the temporary rulemaking process, in which the rule was published for public comment and a public hearing was held. No public comments were received, and no one appeared at the public hearing.

A motion for final approval of the proposed temporary rule was made and passed.

This meeting was adjourned at 5:40 p.m., on December 17, 2025.
