Robert William Onley, M.D., Fayetteville, North Carolina

The Board adopted a motion that Dr. Onley be granted a temporary license for six months restricted to the practice of medicine in a controlled environment, and that Dr. Onley contact the Board prior to accepting permanent, full-time employment.

March, 1983, Board Meeting

The Board adopted a motion that this meeting convene Thursday at 4:00 p.m.

June, 1983, Board Meeting

The Board adopted a motion that this meeting be held in conjunction with the FLEX examination at the Sheraton Highwoods in Raleigh.

Registered Nurse to Insert Central Venous Catheter

The Board adopted a motion that the Board considers the insertion of this catheter to be a medical act.

Midwifery Study Commission

Dr. Kermon reported to the Board on a request received from this commission. The Board adopted a motion that the Chairman of this Commission be notified that the Board considers all the acts listed in his letter, with the exception of "client education," to be medical acts.

Physician Extender Proposal Submitted by Dr. Estes

The Board adopted a motion that Dr. Estes be written a letter thanking him for his interest in the physician extender activities regulated by the Board of Medical Examiners. The Board adopted a further motion that this letter also express the Board's specific gratitude for Dr. Estes' offer to assist the Board in discharging its responsibility with respect to physician extenders and further request him to submit, for the Board's evaluation, his group's recommendations on the files which were reviewed.

North Carolina State Health Department Nurse Practitioner Request

The Board reviewed a request from the North Carolina State Health Department. After reviewing the request, the Board adopted a motion this request not be approved and that Dr. Levine be written a letter stating the Board does not believe he can provide proper supervision without assuming responsibility for nurse practitioners' clinical performance.

Application for License by Endorsement of Credentials

The Board adopted a motion that this application be revised as follows:

1. Add the words "high school, college or university, and" after "of all" in Item Number 6.
2. Add the words "investigated by any governmental agency or been" after "Have you ever been" in Item Number 7.
3. Add at the end of the application form: "This application is effective for a period of ninety days, from initial contact through personal interview. Any changes in the answers to these questions must be reported to the Board."
4. Re-arrange back of application so that it can more easily be read when turned over.

5. Attempt to place Items 7 through 19 on one side of the application form.
6. Add "Have you ever been named in a malpractice suit" to the appropriate item.

The Board adopted a further motion that any applicants whose credentials have been on file for one or more years and who wish to re-activate their applications must re-apply with up-to-date information, not including photograph certification, but including at least one letter of recommendation not more than ninety days old.

1982 Audit Report

The Board reviewed the 1982 Audit Report. The Board adopted a motion that this report be approved.

Data Request, Wake County Hospital System

The Board adopted a motion that this request not be approved.

Proposed Guidelines for Nurse Practitioners

The Board's attorney expressed the opinion that, if these guidelines differ from the regulations, it would be necessary to initiate the proper procedures to change the regulations. He further stated that, if these guidelines do not constitute changes from the regulations, they are an exercise in futility.

Proposed Changes in the Approved Formulary

The Board adopted a motion that all members be sent copies of the proposed changes in the Approved Formulary, together with copies of the letter accompanying these proposed changes, prior to the August, 1982, Board meeting. The Board adopted a further motion that the proposed changes in the Approved Formulary be placed on the agenda for the August, 1982, meeting.

Minimum Acceptable FLEX Scores

The Board adopted a motion that an applicant not be approved for licensure on the basis of FLEX examination who has made a score below seventy in any subject area, that a hearing be held on this change in regulations, that this hearing be held in Winston-Salem in August, 1982, and that notices of this hearing be sent to the Deans of the North Carolina Medical Schools and to Dr. Galusha. The Board adopted a further motion that the full Board act as hearing officers in August. The Board also adopted a motion that the staff report on correlation between problem applications and low examination scores.

Nurse Practitioner Programs

Dr. Reynolds recommended that a Board member review and make recommendations concerning the approval of all nurse practitioner programs to be considered by the Joint Practice Committee. The Board adopted a motion that a copy of any nurse practitioner program to be evaluated by the Joint Practice Committee also be sent to a Board member for his or her review and recommendations. The Board adopted a further motion that copies of the programs which were considered during the June meeting of the Joint Subcommittee be sent to Dr. Pagter for his review.

Fee for Nurse Practitioner Applications

The Board adopted a motion that the Board of Medical Examiners increase the fee for initial nurse practitioner applications to \$50.00. The Board adopted a further motion that the fee for annual re-approval of nurse practitioner applications be \$10.00.

Temporary Licenses to be Issued Applicants for License by Endorsement of Credentials

The Board adopted a motion made by Dr. Fitz that the Board agree by consent, at the time an applicant applies for licensure who has no definite practice plans in the state of North Carolina, he or she be issued a temporary license for a period not to exceed two years; and that, if this individual chooses to come to North Carolina and practice medicine within this time period, a permanent license may be issued. The Board adopted a further motion that, if an individual does not choose

to come to North Carolina and engage in medical practice within the time period specified by the temporary license, the license will automatically expire.

Emergency Medical Services

Emergency Medical Services Personnel Attire While on Duty

The Board adopted a motion that a letter be written for Dr. Sullivan's signature to Emergency Medical Services indicating there may not be uniformity in attire among EMS personnel and requesting EMS to notify all personnel, when performing official functions, they should be properly attired at all times.

Request from Charlotte Memorial Hospital for Approval of a Proposed Study Project Entitled "Emergency Medical Technician - Cardiac Technician"

The Board adopted a motion that this proposed study project be approved.

Proposed Letter Concerning Approval of Guilford County Mobile Intensive Care Program Plan for Participating Hospitals
