RE: Dr. L. B. Skeen, Mooresville, North Carolina - Subsequent to receipt from the Pharmacy Board that Dr. Skeen was prescribing large doses of methadone and morphine he was requested to appear and he stated that he treated one addict in jail with methadone and in that manner procured 12-14 narcotic addicts for patients whom he is treating with methadone. He said that by being so treated they were enabled to continue work. He also said he had one patient<sup>who</sup> was medically addicted by another doctor who had moved away.

VERDICT: Dr. Bryant L. Galusha moved: #1 that Dr. Skeen take immediate legal steps to register these narcotic addicts for treatment with the State Board of Health; #2 that he accept no more known narcotic addicts for treatment; #3 that if he so desires to continue treatment of his present 14-16 patients, it can be done only by seeking proper authorization from HEW; #4 that the Board understands it may be hazardous for the patients, local citizens and himself if these present 14-16 patients are abruptly withdrawn from methadone and every attempt should be made as patients are abruptly withdrawn from methadone and every attempt should be made as rapidly as possible to either withdraw from all narcotics or synthetic narcotics and that steps be taken to institutionalize all his present patients; #5 that this Board be supplied with complete written report relative to the management of the entire recommendation by August 1st. This motion was duly seconded by Dr. Cornelius T. Partrick and passed. This action was reported to Dr. Skeen by the president.

RE: Dr. Ralph C. Reid, Pineville, North Carolina - The Bureau of Narcotics reported to the Board that Dr. Reid was dispensing exorbitant amounts of amphetamines and on one instance an individual was apprehended with a large quantity of amphetamines and barbiturates, unmarked, in a paper bag, which he said he had procured from Dr. Reid. Dr. Reid was requested to appear at this time. He said until recently there was only one drug store in his community which was not open all the time; that he sold some drugs wholesale; that he saw a large number of patients for obesity for whom he prescribed amphetamines. He related that as to the instance referred to he was leaving his office to go to a Charlotte Hospital to see a patient, when a patient came in for drugs for himself, his wife and daughter; that he gave him the drugs in a bag so that he would put them in the containers when he arrived home.

VERDICT: Dr. Bryant L. Galusha moved that Dr. Ralph C. Reid be informed that due to his flagrant violation of dispensing of drugs that the Board of Medical Examiners insists that he give up totally the practice of dispensing drugs from his office and all drugs be dispensed by a registered pharmacist; that if he does not abide by this request further action will be considered by the Board of Medical Examiners. This motion was duly seconded by Dr. Frank Edmondson and passed. This action was reported to Dr. Reid by the president of the Board.

RE: Dr. Elisha Judkins Cain, Goldsboro, North Carolina - Dr. Cain appeared at the request of the Board for a routine interview. He said that he was doing well, was secure and happy in his work in the emergency room at Wayne County Memorial Hospital, Goldsboro. Dr. Cain was commended by the Board and directed that he be seen for a routine visit in December, 1971,

RE: Dr. J. R. Medlin, Garner, North Carolina (See previous Minutes) - Dr. Medlin appeared at the request of the Board for a routine visit. He said that he was doing well with a busy practice; that he and his brother are getting along well together. He was commended by the Board and the Board directed that he be seen in one year.

RE: Dr. James B. Wheless, Louisburg, North Carolina - (See previous Minutes) Pursuant to a report from the Pharmacy Board Dr. Wheless was requested to appear at this time. This report revealed that Dr. Wheless had written prescriptions for large amounts of drugs. He has previously had trouble with the personal use of narcotics and denied that he had used any drugs personally since 1963. He said that he was duped by a narcotic addict with kidney colic posing as an undercover narcotic agent. He admitted using cocaine and demerol and other drugs in his office practice.

VERDICT: Dr. Cornelius T. Partrick moved that Dr. James B. Wheless be enjoined against using cocaine for any purpose; that he be encouraged to find other substances; that he report to this Board in one year for a follow-up; that the secretary be directed to request the State Bureau of Investigation to furnish this Board with any dealings with Dr. Wheless and especially with reference to Walter Reece Dobbins; that he be warned about the use of dangerous drugs such as demerol for minor, recurrent complaints. This motion was duly seconded by Dr. Joseph W. Hooper and passed unanimously. Dr. Wheless was advised the action of the Board by the president.

The meeting was adjourned.

Wednesday, June 16th  
8:30 A. M.
