

North Carolina Medical Board
Medical School Educational Outreach Project
January, 2013

Peggy Robinson, PA-C,
Janice Huff, MD, Pamela Blizzard

1. Old Business: none

2. New Business:
 - a. Preview professionalism module (with intent to present to Board during reports)

 - b. Discuss next steps
 - i. Test module at Wake Forest, Duke?
 - ii. Discuss how to promote it to other medical schools

3. Discuss whether it is necessary to continue workgroup; Could Public Affairs roll creation of new modules into its ongoing education and outreach work, perhaps with input from a Board Member Advisor?
 - a. If group approves transfer of project to Public Affairs, discuss need to continue budget in subsequent years.
