

BOARD OF MEDICAL EXAMINERS OF THE
STATE OF NORTH CAROLINA

The Governors Inn
Research Triangle Park, North Carolina

March 16-17, 1979

The Board of Medical Examiners of the State of North Carolina met at the Governors Inn, Research Triangle Park, North Carolina, March 16-17, 1979, for the purpose of interviewing applicants for license by endorsement of credentials and other business.

Drs. David S. Citron, President; Bryant L. Galusha, Secretary; Bruce B. Blackmon, Louis T. Kermon, A. T. Pagter, Jr., J. J. Pence, Jr., and Joyce H. Reynolds were present. Also present were Bryant D. Paris, Jr., Executive Secretary; Mrs. Betty Joe Barick, Assistant Executive Secretary; Mr. Lee Denney, and Mrs. Sibyl Lamoreaux.

Friday, March 16
9:00 a.m.

The Board convened for business and reviewing credentials of physicians applying for license by endorsement of credentials.

RE: Stephen Lee Kash, M.D., P.A. - Coastal Carolina Eye Clinic, P.A. Wilmington, North Carolina -- Dr. Kash requested that the corporate name of Coastal Carolina Eye Clinic, P.A., be approved for his use. It was moved, seconded, and duly passed that the corporate name Coastal Carolina Eye Clinic, P.A., be appropriately filed and recorded with the Board of Medical Examiners.

RE: Forsyth County Ambulance Service, Winston-Salem, North Carolina -- The Board reviewed information from this service. It was moved, seconded, and duly passed that this report be accepted as information.

RE: George David Webster, M.D., Durham, North Carolina -- Dr. Webster is requesting a geographically unlimited license so that he can practice and teach in other parts of the state rather than to be limited to Durham and Orange counties. It was moved, seconded, and duly passed that the Board cease the practice of issuing geographically limited licenses for applicants holding immigrant status, and that all physicians wishing to convert their geographically limited licenses will be charged a conversion fee of \$25.00. It was further moved, seconded, and duly passed that Dr. Webster be written a letter requesting him to return his old license and informing him that, as soon as it is received along with a fee of \$25.00, he will be issued a license without a geographical limitation.

RE: Gordon Talmadge Blair, M.D., Charlotte, North Carolina -- It was moved, seconded, and duly passed that, once documentation of graduation from medical school has been received regarding an application for licensure, further documentation is not necessary for another type of licensure, and that the Board may accept two letters of recommendation already furnished plus one updating letter of recommendation and a long-term letter.

RE: Executive Council Meeting of North Carolina Medical Society -- Dr. Galusha reported on his meeting with the NCMS. (1) He discussed maintaining our creditability with the Medical Society. We had assured them that we would not go up more than \$15.00 on registration fees. Now we wish to increase this amount to a maximum of \$25.00, and (2) Dr. Galusha stated that he had expressed the Board's concern about Physician Extenders and the fact that we may have, indeed, reached a saturation point in this state. Board meetings require that a great deal of time be spent on extenders and a great deal of time is spent in maintaining office records on Physician Extenders. This matter has been referred to the Allied Health Committee, and we will receive a report back on April 1. The President of the Board commended Dr. Galusha on his report, and the Board agreed that there should be a study in North Carolina on Physician Extenders.

RE: Grayson S. Waldrop, M.D., Milledgeville, Georgia -- It was moved, seconded, and duly passed that Dr. Waldrop's license be reinstated.

RE: William James Farrell, M.D., Bronxville, New York -- It was moved, seconded, and duly passed that Dr. Farrell not be approved for licensure because he does not meet the licensing standards of the Board of Medical Examiners.

RE: St. Luke's Hospital, Columbus, North Carolina -- The Board reviewed a report indicating this hospital has been reinstated as sponsor hospital for the MICT program. It was moved, seconded, and duly passed that this report be accepted as information.

RE: Shikarpur R. Sastry, M.D., Morganton, North Carolina -- It was moved, seconded, and duly passed that the Executive Secretary's action regarding Dr. Sastry be approved.

RE: John Thomas Wilson, M.D., Fort Pierce, Florida -- It was moved, seconded, and duly passed that Dr. Wilson's application for license by endorsement of credentials be denied on the basis of his licensure status in Florida, and that he be informed that he may take this matter up with the Board according to the statutes.

RE: 1977-78 Audit -- It was moved, seconded, and duly passed that the report on the 1977-78 Audit be accepted as information.

RE: March 1980, Board Meeting -- It was moved, seconded, and duly passed that the Board meet in Charlotte in March of 1980.

RE: August, 1980, Board Meeting -- It was moved, seconded, and duly passed that the Board meet in Asheville in August of 1980.

The Board recessed at 12:00 noon.

Friday, March 16
1:00 p.m.

RE: Charles Compton Barton, M.D., Hackensack, New Jersey -- It was moved, seconded, and duly passed that Dr. Barton's application for license to practice medicine be denied.

RE: Joint Practice Committee -- Dr. Reynolds presented a report indicating that the Joint Practice Committee has been attempting to standardize the Nurse Practitioner Program. The Joint Practice Committee has agreed to the concept that each nurse practitioner should have a core curriculum as a basis for her education. It was moved, seconded, and duly passed that the Board reaffirm its support of this concept.

RE: Emergency Medical Technicians-I.V. -- Applications: Surry County: 12; Forsyth County: 12; Davie County: 3; Yadkin County: 1; Davidson County: 2; Catawba County: 4; Alexander County: 2; Iredell County: 11; Caldwell County: 2; Buncombe County: 1; Randolph County: 1; and Durham County: 1.

Mobile Intensive Care Technicians -- Applications: Forsyth County: 1.

Mobile Intensive Care Nurses -- Applications: Surry County: 1; Stokes County: 1.

Following review of all applications indicated above from the Office of Emergency Medical Services, it was moved, seconded, and duly passed that all applications be approved.

The meeting recessed at 6:30 p.m.

Saturday, March 17
9:00 a.m.
