Don Jablonski, DO ; Savesh Sathiraju, MD; Michael Norins, MD; Ralph Loomis, MD

The Clinical Pharmacist Practitioner Joint Subcommittee was called to order at 6:35 p.m., Tuesday, April 17, 2007, at the office of the Board.

Members Present:	<u>Board of Pharmacy</u>	<u>Medical Board</u>
	Rebecca W. Chater Joey McLaughlin Anna Choi	Dr. Sarvesh Sathiraju, Dr. Donald E. Jablonski Dr. Michael E. Norins Dr. Ralph C. Loomis
Members Absent:	Dr. Betty H. Dennis L. Stan Haywood	
Others Present:	Marcus Jimison, Counsel, NC Medical Board Quanta Williams, NC Medical Board	

Welcome

The meeting came to order at 6:35 p.m. Dr. Norins welcomed the members of the Subcommittee to the Medical Board.

Changes to CPP Application Forms

Extra signature lines were added to the application for multiple MDs at the same site with the same protocols. The Committee would like specific language included above these signature lines indicating that these MDs would use the same protocols (ex: group practice setting with the same protocols). A box will be added to indicate the practice type.

There was discussion regarding whether there needed to be a simpler application for subsequent approvals. It was decided that this was not needed as this was covered by the Change of Status form.

Protocol for CPP Discipline

The Nurse Practitioner Joint Subcommittee Protocols for Delineating Investigation & Discipline of Nurse Practitioners document was presented as a guideline for CPP discipline protocols.

Motion: To adopt the Nurse Practitioner Joint Subcommittee Protocols for Delineating Investigation & Discipline of Nurse Practitioners document with changes (to reflect CPPs not NPs). **Passed.**

Adjournment

The Subcommittee adjourned at 7:40 p.m.

Motion: A motion passed to approve the April 2007 minutes.

Dr. Sathiraju summarized the October 16, 2007 meeting as follows:

CPP Frequently Asked Questions

Ms. Williams is compiling a list of FAQs to be placed on the website. The CPPJS has asked the staff of both Boards to work on this. All unresolved questions will be presented to the CPPJS.

Number of CPPs that a Physician May Supervise

The rules state that a supervising physician may supervise up to 3 CPPs. The CPPJS passed a motion for both Boards to interpret "3" to mean three full-time equivalents (FTEs).

Complaint

One complaint was discussed in closed session.
