*NC law requires licensed physicians (MDs, DOs, RTLs), Physician Assistants, and Anesthesiologist Assistants to renew with the Board within 30 days of their birth date, every year and a renewal fee is required. **Please note that a licensee's first renewal is due within 30 days of their NEXT birthday, even if it occurs shortly after the date a professional license is issued to them. License application fees do NOT count towards the first renewal fee.**

**Provisional Licensed Perfusionists are required to renew their license annually prior to the license expiration date. Licensed Perfusionists are required to renew their licenses every two years prior to the license expiration date.
